COUNCIL REPORTS:

Mrs. Drake –The Mayor and I attended the police promotions ceremony. Congratulations to all. There are two environmental cleanups scheduled for November 14th and November 21st. We will be concentrating on the area behind Manchester Little League and football fields and the Harry Wright Lake area. It starts at 9:00am and we have "Mayor's Cleanup Crew" vests for volunteers. This Saturday November 11th there is a flea market at the Whiting Fire Department. Take a ride out, it's at 8am. I also want to congratulate the police officers who won the first responders, I read it in the paper, we're so proud of them!

Mr. Vaccaro – A warm welcome to everyone, thank you for your continued concern and interest that you've shown. Continue to take great pride in Manchester, it is our home and residence. Let it be known that Manchester Township is known as the gemstone of the Jersey Shore and the gateway to the Jersey Shore. On 10/28 I attended the retirement ceremony for Lt. Charles Brooks with Councilwoman Drake. 10/28 I attended the Board of Education meeting with Mayor Hankins, Council President Zolezi and Councilmembers Noonan and Drake where the Township presented a check from Comcast. Councilwoman Noonan did all the work to acquire the funds, a job well done. The planning board approved construction of 13 single family homes (R40 zone) which are 2200 sq.ft. on Wilbur Avenue. Cedar Glen Homes dog run also got approved. Also approved was the consolidation of 8 existing undersized lots into 3 subdivided lots on 6th Avenue. 11/3 President Zolezi and I attended the bi-weekly meeting. I'm sorry I could not attend the police promotion ceremony, congratulations to all. I also want to congratulate the Mayor on being re-elected and also Councilwomen Drake and Noonan. We have commenced a traffic study and survey. We must revisit our ten-year energy master plan, encompassing the greater use of sources of renewable energy. We cannot keep on developing properties for apartments and townhouses and residential homes without providing all our residents places to shop, dine, and spend their money. We need to make Manchester the best town to reside in, in Ocean County.

Remember one act of kindness can change the complexion of Manchester Township. Make kindness contagious and May God Bless America and the residents of Manchester Township.

Mr. Wallis – I want to congratulate the Mayor on his re-election and also Council members Drake and Noonan.

Ms. Noonan – Regarding the $45,000 to the High School, I went to the High School Channel 21 as I was interested in having them film Council meetings. They did a lot for the police and fire department on the channel. The equipment was failing. It took 2 years to write and Keith was the teacher, he showed the needs for the teenagers, and the school that really needed the equipment. The board of public utilities forgot and the school was overlooked. I wrote a letter and the commissioners answered, I explained what the money was for. It took about a month; I worked with our Municipal Clerk and CMFO who were very helpful. All the things the kids do at the school are very impressive. I'm sorry I missed the promotion ceremony, Congratulations! And to Sandy and the Mayor on their re-election.

President Zolezi – Congratulations to the Mayor and Councilmembers, I look forward to working with you the next 4 years and continue moving Manchester in the right direction. Congratulations to the Police Department on their promotions. Happy Birthday to the Marine Corps. Wednesday is Veteran's Day and we are having a wonderful ceremony out front here at town hall at 11:00am. All are welcome. I'm always super supportive of our veterans, and extremely grateful to all the service they do and continue to do for us. There is also a ceremony at the High School around 2:30pm. With regard to the Board of Ed. Meeting, I know a lot of residents have questions because of taxes and bills and how that is impacting residents. Please attend meetings, they are open to the public, you are absolutely welcome to go and get answers to your questions. We do have bus stops in residential areas, please be aware with it being darker in the morning and evenings.

Mayor Hankins – I just want to thank everybody for their support during the election and the help I had. And if anybody sees a sign, if you don't want to pick it up, let me know. I think I've got them all.

Carl Block – No report.

Captain Vega – Congratulations to you all on your victories, and we appreciate, on behalf of the Chief, the continued support that the Council and Mayor provide to the Police Department.

PUBLIC:

Laura Mezzoline Quaker Lane - I would like to see us have the meeting zoomed and also taped. I know many times over the past year that I've been attending meetings. When I read the minutes after they've been posted, I see it's not in the same context that was said. I think that would be a great idea. I just want to say I'm a senior and I live in the senior community. And I started driving here because I do want to attend meetings, and this is another reason. I think you would get more input if it was on Zoom. And you allow people who are literate with the computer to do it. I got halfway here, and I usually don't drive that much at night. And I started seeing dots, and I started driving home. I said, "No, I'm going because I need to talk." I turned around and came back here. So, I really do think we should look into doing that for the Zooming and the tape, would be greatly appreciated. My second item is directed at Mayor Hankins. This is a formal request to have a meeting with you to discuss senior citizens.

Mayor – That's easy, give the office a call, as I tell everybody, Jamie knows my schedule before my wife does.

Laura – So I just have to call up here?

Mayor – Call the town hall, ask for the Mayor's office, and you'll get him right there.

Jamie- My extension is 3105.

Linda Chapman Pine Lake Park – Paramount is still building apartments, I thought there was going to be another exit out of there. It's just the one, it's going to be a disaster going around that U-turn. We already had so many accidents there. Thank you for the McDonald in Whiting, Whiting is becoming so nice! For Ms. Noonan- I had a patient come in distraught over his electric bill, can you help?

Noonan – Somebody Cares will be able to help; I have the number.

Karen Perry Thornbury Lane – For the Police Department, when will the light at Beacon/571 be active?

Vega – I don't have a date, but I will look into it for you.

Karen – Please do that, I'm tired of complaining about the accidents at the end of 571. I'm grateful we finally have a light there. Cherry Street/529 is another place, there are constant accidents, what can we do? Is 539 a county or state highway? I get alerts all the time that there's another accident. We are very active and the EMT's are on the road all the time.

President Zolezi – Thank you and I would like to make a brief comment. It goes back to people making sure we are mindful when driving, following and abiding, and not distracted. I think it is a combination of things, but I think the County is on track to get that, and we can look into that.

Mayor – I want to make everyone aware, the County reached out to me about rebuilding the Commonwealth bridge. I told them not until the light is up and running. If they do 1 lane at a time it will take 2 years and if they do both and close the road, it will take 1 year.

Dave P. – Steiner Road – Congratulation to everyone and thank you for all of your work. I'd like an update on our water, is it safe to drink out of the sink?

Mayor – Yes, I drink it everyday since I was 9.

Al Yodakis – We publish a CCR every year and test almost daily. The CCR report is on the webpage if you go to the utility section. Our water meets all state and federal standards.

Dave P. – We have so many power failures, can we handle the new homes being built? Does the electric company have enough supply to new homes that are out there?

Mayor – They have been improving the power grid. Rt 70/37 they have installed new transformers over the last year. There's more to come.
