Set in the honkytonk world of marathon dancing, in Atlantic City 1933, an assortment of depression era souls are eager to dance their way into fame & prizes gather on the Steel Pier. Songs by the creators of Chicago, Cabaret and other classics perfectly capture the rhythms of the 1930's dance era.

Based on the movie of the same name, GRUMPY OLD MEN is the story of two aging men, Max & John, neighbors who have been feuding for most of their lives. Invigorated by their shared affection for their new neighbor, they face-off as romantic rivals until their hilarious shenanigans finally bring about a resolution to their long-standing differences. Based on the 1993 film starring Jack Lemmon, Walter Matthau & Ann-Margret, this stage adaptation captures the lovably crotchety characters through twinkling humor, great songs & the affectionate depiction of a small town that feels like home to all.

Ever wondered what would happen if you took Bram Stoker's legendary vampire tale and put it into a blender with the comedic influences of Mel Brooks, Monty Python and the 39 Steps? That's just what happens in this lightning fast, laugh-out-loud, 90-minute gender-bending, quick change magical romp. The vampire antics, complete with loads of local and pop references, brim with enough mayhem to fill your cup of giggles.
