Recycling News

Dear Residents,

We all have a role in preserving the environment, and Ocean County makes every effort to provide convenient programs allowing each of us to participate.

This guide will help you navigate Ocean County's recycling programs. Two County-operated recycling centers, and numerous municipal centers, provide convenient locations for residents to drop off old paint, plastic lawn furniture, and electronics. To learn more about our recycling program, view a calendar of special events, and access our most up-to-date recycling information, you may visit our website co.ocean.nj.us/recycle and social media pages [@ocreycles](https://www.facebook.com/ocreycles).

It is with great pleasure that I join with my colleagues on the Board of Commissioners in presenting to you the annual Ocean County Recycling Guide. With your help, Ocean County will continue to be a true leader in recycling and sustainability.

The Journey of Your Recyclables

After you place your recyclables at the curb.

Your municipality provides transportation to our Recycling Centers.

We sort your materials and market them.

Non-recyclable items are sent to the landfill, at higher costs; items may contaminate clean recyclables and damage equipment.

Manufacturers around the world transform your waste into new products.

Free Garden Products

Finished Leaf Compost

A great choice for intensively planted flower, shrub and vegetable beds. Compost adds organic matter back to the soil faster than mulch. Ideal to use during Spring.

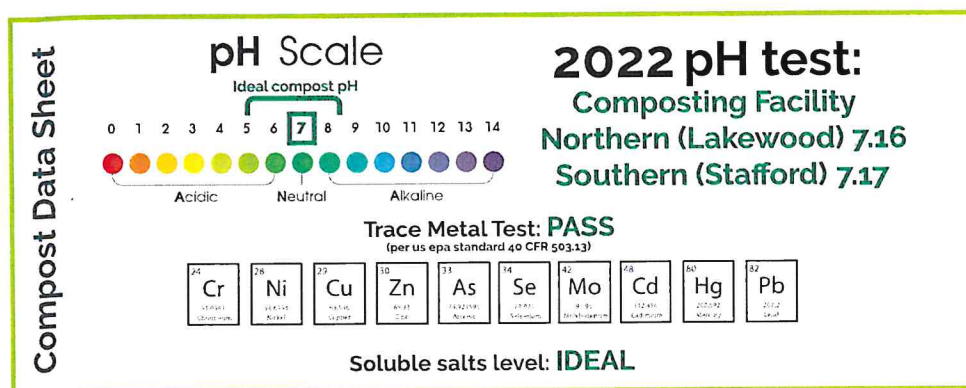

Single Ground Mulch

Excellent for walkways or garden beds, great weed suppression and moisture retention.

Double Ground Mulch

Perfect for garden beds, finer mulch.

Volunteering Opportunities

Compost: Food Waste

Annual class trains volunteers to promote the benefits of composting, recycling and sustainability through education and public outreach.

Clean-ups

The Ocean County Clean Communities Program supports volunteer groups by providing training and supplies for beach and open spaces clean-ups.

Art: Recycling Containers

Bring art and sustainability together, our recycling Igloos are in over 120 locations around Ocean County. Get a chance to feature your artwork and help recycle!

Education Programs

Our outreach team can support your education programs with materials and presentations on topics related to pollution, recycling, composting, waste reduction and other sustainability topics.

Visit our website to request presentations, order recycling decals, recycling guides, composting guides, and more!
