

Manchester Township, a Leader in Service and Efficiency, Presents:

Manchester Township Community Energy Aggregation

The Fourth Round of Energy Savings from Your Township

Dear Manchester Township Resident,

The Township has recently awarded a contract for the fourth round of the Manchester Community Energy Aggregation ("MCEA") program, under which it has signed a contract with Constellation NewEnergy, Inc. ("Constellation") that will offer Township residents a renewed opportunity to save money on their electric bills! Residents are not obligated to participate in the program and may 'opt-out' if you so choose. Eligible residents will be receiving a package in the mail from Constellation in mid-September 2025 providing program details.

A list of Frequently Asked Questions will be posted to the Township of Manchester website. Please visit www.manchestertwp.com.
