Quantity	Description	Unit Price	Extended Price
1	Cost for Sign Permit Acquisition - Staff time to apply for permits and follow up with municipality; - The actual cost of the sign permit is not included in this price, - Additionally if an electrical permit, engineers drawings, or 3rd party inspections are required, they will be added to the final invoice due upon installation	\$695.00	\$695.00

Quotes are valid for 15 days. Price subject to change due to tariffs. 50% down on any order, balance due upon completion. Customer is required to approve the final design; correct spelling is the responsibility of the customer and must be checked prior to approval. Any errors or omissions discovered after approval are the customer's responsibility. Sketches and artwork remain the property of KC Sign and are not to be shared with any design, graphics, printing or sign company without written permission. Quoted prices do not include permit costs. If KC Sign is contracted to obtain permits, an acquisition fee will apply. All costs of permits, licensing fees, engineered and electrical drawings, 3rd party inspections and any other item required by the municipality are the customer's responsibility. Electric must be supplied to the site by the customer; if not available additional charges will apply for electric hook-up. Quoted prices do not include applicable taxes. Customer must supply a tax exemption certificate to be exempt from sales taxes. All signs are the property of KC Sign until paid in full. All signs are custom made therefore any cancellation of work will result in the forfeiture of deposit monies. KC Sign does not offer refunds on any products. Standard Warranty is available on all signs. Damages occurring from "acts of God" are beyond our control and do not fall under any warranties.
